

## **You Have Chosen a Journey to Wellness!**

You must be excited and we are certainly excited for you. You have taken your first step to wellness – an appointment at Environmental Health and Allergy Center – St. Louis.

We have provided you a New Patient packet that has two forms for you to fill out. One is the Patient Information Sheet, and the other is a comprehensive history. The others forms are for your information.

Dr. Sultan prefers to review new patient histories prior to the patient's first visit. So if you can either fax or email your history form to the office, this would aid him greatly. The history form can be filled out using Microsoft Word and emailing it back or you can print it, fill it out and fax it. Since the registration form is not a fill able form within Microsoft Word, you may print it out, fill it in, fax it or bring it to the office with you on your first visit. Our fax number is at the top of this letter. Our email address is [ehacstl@ehacstl.com](mailto:ehacstl@ehacstl.com)

If you have any questions, please call or email the office. We are here to serve you and aid you on your exciting Journey to Wellness.

Thank you for your confidence in Environmental Health and Allergy Center – St. Louis. We strive to meet and exceed your expectations of us.

Sincerely,

Tipu Sultan, MD and Staff
